

Don't BUG ME I'm Reading

Summer Reading Fun for All Ages
THROUGH JULY 31

For every 20 minutes you read, color in a bug. When you have colored in all the bugs, you've read for 1,000 minutes!

Read for your school!

Schools registering the most students for Don't Bug Me, I'm Reading (as a percentage of total 2024-2025 enrollment) will receive \$500 from the Douglas County Libraries Foundation. We'll reward the top schools in each of four categories: elementary, middle, high, and charter/other. Be sure to tell your friends and classmates to sign up!

Help us meet our community goal!

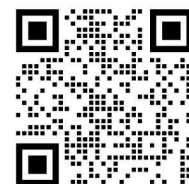

When readers in Douglas County read a total of 10 million minutes, the Douglas County Libraries Foundation will donate \$1,000 to Colorado Agricultural Leadership Foundation. Add your minutes to our total to help!

Choose your own challenge!

Maybe you'll shoot for 500 minutes, one chapter book a week, 20 pages a day, or three picture books a day for babies and toddlers. It's up to you! When the fun is done, visit us to pick up your prize while supplies last. Kids get a new book!

Did you register online?

Be sure to register online to track your reading electronically and qualify for fun prizes. (You can also use this log to track your reading.) To track online, scan this code or visit dclibraries.beanstack.org.
